BY ENTERGY MISSISSIPPI

Save money through energy efficiency

The innovative controls and occupancy-sensing technology of advanced smart thermostats can help lower your cooling costs up to 15% and heating costs up to 10%.* From around the corner or from across the country, smart thermostats make it easy to remotely control and schedule your home comfort with your mobile device. And incentives from Entergy Mississippi make upgrading more affordable.

The savings don't stop there

Entergy Mississippi residential electric customers also are eligible for incentives on select ENERGY STAR® certified appliances, including:

- Refrigerators.
- Clothes washers.
- Clothes dryers.
- Heat pump water heaters.
- Room air conditioners.
- Dehumidifiers.
