Save up to \$50
on select
ENERGY STAR[®]
certified room
air conditioners.

Residential Appliances Program
entergysolutionsms.com/appliances

Choose an ENERGY STAR certified room air conditioner to save energy and money.

ENERGY STAR certified room air conditioners use approximately 9% less energy than conventional models and cost, on average, about \$70 per year to run. New ENERGY STAR certified units are made with better materials to improve the sealing and insulation around the unit, minimizing costly and uncomfortable air leaks.* Save even more today with up to a \$50 incentive from Entergy Mississippi.

Other Ways to Save

Entergy Mississippi residential electric customers are also eligible to receive incentives on select energy-efficient appliances, including:

- ENERGY STAR certified refrigerators.
- ENERGY STAR certified clothes washers.
- ENERGY STAR certified clothes dryers.
- Advanced smart thermostats.
- ENERGY STAR certified heat pump water heaters.
- ENERGY STAR certified dehumidifiers.
- ENERGY STAR certified pool pumps.
