MISSISSIPPI PUBLIC SERVICE COMMISSION

P.S.C. Schedule No. 27.5

Date: September 20, 1985

Date Filed: September 4, 1985

Date to be Effective: September 20, 1985

Schedule Consists of: One Sheet

Kind of Service: Electric; Middle South Energy Rider**RIDER SCHEDULE MSE-3****APPLICATION**

This Rider MSE-3 shall become effective on September 20, 1985, for bills rendered on and after that date, and will be applied in conjunction with currently applicable rates on file with the Mississippi Public Service Commission.

BILLING

An adjustment "First" under the Company's rate schedules there shall be added to the Net Monthly or Seasonal Rate an amount equal to the Net Monthly or Seasonal Rate, before Adjustments, multiplied by the Percentage computed in accordance with the following formula:

$$P = \frac{I \times C}{\Sigma(I) \times B} \quad \text{where}$$

P = Percentage

I = The increase in Net Monthly or Seasonal revenue, before Adjustments, for each Retail Rate Class as incorporated in the currently applicable rates.

$\Sigma(I)$ = The sum of the increase in the Net Monthly or Seasonal revenue, before Adjustments, for each Retail Rate Class as incorporated in the currently applicable rates.

C = \$989,536,000 (A) where:

A = The legally effective Entitlement Percentage established by the Federal Energy Regulatory Commission.

B = The Net Monthly or Seasonal revenue, before Adjustments, for each retail rate class as incorporated in the currently applicable rates.

Retail Rate Classes shall be defined as those specified in the currently applicable rates.
